UNITED STATES PATENT AND TRADEMARK OFFICE

Listed on the accompanying form PTO-1449 and enclosed herewith are several English-language documents and one non-English-language document. The relevance of the non-English-language document can be ascertained by the International Search Report for related International Application No. PCT/JP2004/008174. Applicants respectfully request that these documents be listed as references cited on the issued patent.

Applicants filed this Information Disclosure Statement ("IDS") before the mailing date of a first Office action on the merits. As a result, no fee should be required to file this IDS. However, if the Patent Office determines that a fee is required for Applicants to file this IDS, please charge any such fees, or credit overpayment, to Deposit Account No. 02-4550.

The filing of this IDS shall not be construed to be an admission that the information cited in the statement is, or is considered to be, prior art or otherwise material to patentability as defined in 37 C.F.R. §1.56.

Respectfully submitted,
